Eliminate Malodors With The Most Economical, Multi-Purpose Odor Counteractant

(One Ounce Makes One Gallon)

Nilium is the most effective water-soluble odor counteractant available. Nilium is specially formulated with the world famous proprietary odor counteractant, Super N Concentrate. As a result, Nilium will neutralize malodors instead of simply masking them. Most other deodorants contain perfumes which merely cover up or provide a fragrance for a very short time. Nilium will provide immediate relief from the malodor with a pleasing fragrance, while Super N Concentrate works to physically neutralize the malodor. One application of Nilium will counteract odors up to 24 hours.

Nilium can be used in conjunction with cleaners, disinfectants, insecticides...anything water soluble. It can be used daily to counteract odors every time you clean. Applications for Nilium are practically unlimited!

Use Nilium™ To Eliminate Odors In:

- SCHOOLS
- UNIVERSITIES
- CHURCHES
- GROCERY STORES
- AIRPORTS
- OFFICES
- HOTELS/MOTELS
- BOATS/SHIPS
- HOSPITALS
- NURSING HOMES
- DAY CARE CENTERS
- VETERINARIANS
- HEALTH SPAS
- RESTAURANTS
- KENNELS
- TAXIS/BUSES

Suggested Uses and Directions:

APPLICATIONS	PROBLEMS	DILUTION	RECOMMENDATIONS
Automobiles	Pet or smoke odors	1-2 oz.: qt.	Spray dilution to eliminate smoke odors, pet odors, etc.
Carpet	Smoke/mildew, pet odors	1/2 oz.: gal.	Add 1/2 oz. concentrate to 1 gal. extraction or shampoo solution. Inject undiluted directly into matting for hidden odors.
Clean-Up	Inherent cleaner/disinfectant odors	1 oz.: gal.	Use in conjunction with cleaner/disinfectant to neutralize inherent chemical odor.
Floor Care	Room odors	1 oz.: gal.	Add to mop water. Great for odors absorbed into porous surface; i.e., concrete, grout, wood, etc.
Fire	Smoke odors	1-2 oz.: gal.	Dilute and spray on any water safe surfaces where smoke odor might linger.
Garbage	Dumpster/chute & compactor odors	4-6 oz.: gal.	Pour or spray dilution down garbage chute or into dumpster or trash compactor.
Insecticides	Inherent insecticide odor	2-4 oz.: gal.	Add to water base insecticides.
Kitchen	Garbage odors	1 oz.: gal.	Add to mop water or cleaner. Pour in garbage disposals to eliminate odor and help cleanse.
Paint	Residual odors	1-2 oz.:gal.	Add to latex paint to eliminate odors during application.
Pet	Kennels/pens	1-2 oz.: gal.	Spray dilution in kennels/pens. Use in conjunction with bleach to eliminate inherent odor.
Public Transport	General clean-up/residual odors	1 oz.: gal.	Add to cleaner for clean-up and maintenance.
Restroom	All odors	1 oz.: gal.	Use in conjunction with disinfectants/cleaners or as spray dilution. Great for mop water and drains.
Room Odors	Room deodorization	1-2 oz.: qt.	Spray for room deodorization.
Sewer	Water treatment	1-2 oz.: gal.	Spray dilution over problem areas during peak periods of water treatment.
Sickrooms	All odors	1 oz.: gal.	Use in conjunction with cleaner/disinfectant to neutralize odor on contact.

CAUTION: KEEP OUT OF THE REACH OF CHILDREN. For Professional Use Only. Not for internal consumption. If product is ingested, induce vomiting and consult physician. If contact occurs with skin, wash with soap and water. If the product comes in contact with eyes, flush with copious amounts of water. If any irritation persists, contact physician. For additional information/precautions refer to material safety data sheet or product label.
