

Packed: Six-8 oz. containers/cs.

To deodorize and congeal liquid spills, vomit, urine, and other accidents, sprinkle Nilogel powder over the problem area. In just seconds the spill becomes a manageable semi-solid that's easily swept away or scooped up for disposal. Use Nilogel to absorb and deodorize on any floor surface including: tile, concrete, wood, marble, linoleum, terrazzo, carpeting (use Non-Chlorinated Nilogel only), etc.

## Instantly Absorb And Deodorize Liquid Spills and Accidents With Nilogel™

Nilogel quickly absorbs and deodorizes all water-based spills. This product contains the Original Super N Concentrate which enables it to destroy even the toughest odors. It is the most effective odor control absorbent available. Nilogel will instantly absorb over 100 times its own weight, which means that in seconds, one 8 oz. can is able to convert up to 7 gallons of liquid into an odor-free, easy-to-clean semi-solid.

Nilogel is non-toxic and biodegradable, making it user and environmentally friendly. The convenient shaker top makes Nilogel easy to dispense.

**Absorbs  
Gels  
Deodorizes**
