

Nilotron™ Dispensers and Refills Around The Clock Deodorizing

The Nilotron Aerosol Dispenser is packed 6 per case

The Nilotron™ aerosol dispenser and aerosols represent a revolutionary improvement in the environmental safety of odor counteractants dispensed through aerosols. Nilotron™ aerosols contain the original Super N Concentrate, the most technologically advanced odor counteractant available.

NILOTRON™ #00297 AEROSOL DISPENSER Has setting to dispense every 7, 15, and 25 minutes, as well as a daylight and 24 hour activation setting. The Nilotron dispenser also has a safety misfire switch, along with a test button on the back of the unit.

6.75 oz. NILOTRON™ REFILLS fit Nilotron™ #00297 Aerosol Dispenser or similar dispensers. Each can contains 3,100 metered releases. Select from Original, Vanilla, Citrus, Spring Mint, Spice, Lemon, Honeysuckle, New Morning, Peach Blossom, Red Clover Tea, Tango Mango, Mountain Rain and Orange Grove fragrances. Also available in Premier Fresh, Premier Clean, Grandma's Apple Pie, Gourmet Coffee Cafe, Tropical Getaway and Spring Breeze.

6.5 oz. INSECTICIDE is an EPA registered product. One unit will treat up to 6,000 cubic feet of air space. Its effectiveness will be noticeable one hour after activation. Fits Nilotron™ #00297 dispenser or similar dispensers.

AROUND THE CLOCK DEODORIZING KIT

This AEROSOL starter kit allows you to sample Nilodor's selected (2) fragrances and dispenser system for constant deodorizing. The kit contains one NILOTRON™ dispenser, one FRESH and one CLEAN aerosol, along with 2 "D" alkaline batteries.

14.25 oz. HAND HELD AEROSOLS

Sprayed once, NILOTRON™ hand held aerosols eliminate malodors for up to 24 hours. Select from Original, Spring Mint, Spice, Honeysuckle, New Morning, Peach Blossom, Lemon, Red Clover Tea, Grandma's Apple Pie, Gourmet Coffee Cafe, Tropical Getaway and Spring Breeze.

Aerosol Dispenser Kit packed 6 per case

14.25 oz. aerosols are packed 12 cans per case

All 6.75 oz. refills are packed 6 or 12 per case

Suggested Uses and Directions:

APPLICATIONS	PROBLEMS	PRODUCT	RECOMMENDATIONS
Veterinarian Clinics	Pet odors	14.25 oz. Nilotron or Nilotron Dispenser Refill	(1) Spray Nilotron sparingly near odor source, (2) Spray metered 6.75 oz. aerosol manually to control odors or (3) Place Automatic Dispenser with Nilotron near odor source for up to 40 days of odor elimination.
Pet Grooming Shops	Pet odors	14.25 oz. Nilotron or Nilotron Dispenser Refill	Spray Nilotron in waiting rooms, pet bathing and grooming areas. Place Nilotron Dispenser to safely control on-going odors.
Kennels/Pet Stores	Strong animal odors	Nilotron Dispenser Refill	This dispensing system is safe for use around pets. Place 1 unit per 4,000-6,000 cubic feet.
Mold/Mildew	Permanent dampness	14.25 oz. Nilotron or Nilotron Dispenser Refill	Spray Nilotron near source, or place Dispenser with Nilotron for around-the-clock relief from a permanent problem due to dampness.
Textiles/Fabrics	Smoke, mildew, mold	14.25 oz. Nilotron	Hold can 18 to 24 inches from target and spray.
Public Transport	Motion sickness, incontinent clean-up, restrooms	14.25 oz. Nilotron or Nilotron Dispenser Refill	Spray Nilotron for 24 hour relief. Place Dispenser with Nilotron to eliminate odors continuously.
Restrooms	All restroom odors	Nilotron Dispenser Refill	Spray Nilotron at the source to eliminate any odor until clean-up is possible. Place Dispenser with Nilotron for up to 40 days of continuous odor control.
Taverns/Lounges	Stale smoke & other odors	Nilotron Dispenser Refill	Place on wall. Controls strong, continuous odors.
Offices	Smoke odors	Nilotron Dispenser Refill	Spray Nilotron as required in offices or mount dispenser system in central areas.
Schools/Universities	Restroom/locker room odors	Nilotron Dispenser Refill	Mount system near odor producing areas. CFC Free Nilotron safely controls odors in areas up to 6,000 cubic feet.
Commercial Food service and preparation areas	Flies, mosquitoes etc.	Insecticide	Place Nilotron Dispenser with Insecticide seven (7) feet from the floor and where air current will carry spray. Controls up to 6,000 cubic feet.

*The metered (6.75 oz.) aerosols are ideal for controlling usage.

CAUTION: KEEP OUT OF THE REACH OF CHILDREN. Contents under pressure. Exposure to heat may cause bursting. Do not puncture, incinerate or store above 120° F. Avoid prolonged exposure to sunlight. Do not spray near open flame. Not for internal consumption. If ingested drink milk or water and consult physician. Avoid contact with eyes and skin. Flush immediately with water for 15 minutes and consult physician. Can cause temporary irritation to skin. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal.
